Seeking a challenging career with a progressive organization that can benefit from my technical skills and abilities in the field of Information Technology (IT)

About

I'm a 23 year old Fresh Graduate of Bachelor of Science in Information Technology at East System Colleges of Rizal. I don't have any working experience in a company so far but I will give my best to equal or surpass what a professional can give. Using my ability, I will work hard to do the job you will assign to me.
